EXECUTIVE PROFILE

Enterprise Customer Success Leader and Client Partner with 8+ years of experience across enterprise SaaS platforms, Salesforce CRM, MuleSoft middleware ecosystems, and high-velocity digital product studios. Currently leading commercial expansion and post-sales governance at **NTT DATA North America** across a $1M+ ARR US enterprise portfolio. Proven track record driving net revenue expansion (+30% ARR), sustaining elevated gross retention (80%+), and chairing C-suite Steering Committees. Blends commercial deal acumen with deep engineering instinct (B.E., Mumbai University; dual Salesforce & HubSpot certifications). Hands-on practitioner in applied AI workflows for post-sales telemetry synthesis and executive QBR intelligence.

PROFESSIONAL EXPERIENCE

Client Partner & Customer Success Manager — NTT DATA North America FULL-TIME OPERATING ANCHOR 12/2022 – Present

- **Dual Mandate Leadership:** Promoted to direct delivery governance and commercial revenue growth for a $1M ARR Salesforce CRM & MuleSoft API middleware enterprise portfolio across North America (REITs, Fortune 500 Consumer Goods, InsurTech, Wealth Management, and Retail).
- **+30% ARR Expansion & 80%+ GRR:** Expanded account footprint by 30% through consultative upselling, multi-year Metascale extensions, and adjacent MuleSoft API integration change orders while protecting an 80%+ gross retention baseline.
- **C-Suite Steering Committees:** Chaired monthly executive reviews, roadmap gates, and risk escalations with client VPs, CIOs, and Enterprise Architects to ensure strict alignment with strategic board outcomes.
- **Closed-Loop Delivery Feedback:** Instituted tight synchronization between client enterprise stakeholders and technical engineering squads to mitigate implementation risks, eliminate delivery friction, and surface expansion signals early.

Client Leadership & Enterprise Success — Firework STRATEGIC ADVISORY MANDATE 12/2024 – 01/2026 (Completed)

- **Tier-1 Portfolio Custody:** Managed enterprise account relationships for marquee multinational brands (**Samsung, Titan, Bajaj Finserv, Unilever**), driving feature adoption, renewals, and expansion to maximize Net Revenue Retention (NRR).
- **Telemetry-Backed QBRs:** Replaced backward-looking status checks with automated usage telemetry pipelines, proving ROI velocity to C-suite merchandising and digital transformation sponsors during renewal gates.
- **SLA Delivery & Operational Scale:** Directed customer onboarding to go-live within contractual SLAs, aligned cross-functional Product, Solutions, and Ops squads, and streamlined month-end billing closures.

Enterprise Client Partner & Growth Lead — HumanX PRODUCT STUDIO & DELIVERY 02/2023 – 06/2023

- **Full-Cycle Commercial Leadership:** Spearheaded the entire enterprise sales cycle from lead identification and C-suite discovery to contract onboarding and ongoing account management, consistently meeting or exceeding commercial targets.
- **Marquee Enterprise Mandates:** Directed executive client relationships and platform deliveries for **Bangalore Airport (BIAL)**, **Amazon SmartBiz**, **SBI Mutual Fund (InvesTap NXT)**, **Seclore**, and **Times Network**.
- **Design ↔ Engineering Synchronization:** Deeply analyzed client technical requirements, harmonizing UI/UX design deliverables with backend engineering sprints to eliminate handoff friction and accelerate time-to-market.
- **Executive QA & Client Retention:** Managed relationships with high-level client executives, prioritized concurrent high-urgency roadmaps, and proofread all client-facing strategic and technical materials to institutional standards, driving elevated client satisfaction.

Customer Success Advisor — SmartKarrot ADVISORY 09/2022 – 12/2022

- Designed tailored customer onboarding and retention playbooks, driving accelerated enterprise adoption of customer intelligence and workflow automation features.

Customer Success & Content Manager → CSM — Deepstash `11/2020 – 08/2022`

- Pioneered corporate B2B sales motion, securing the platform's first "Deepstash for Teams" enterprise contract; engineered content distribution telemetry that drove measurable gains in Daily Active Users (DAU) and active user retention.

Customer Success Specialist & Operations Manager — Office Pulse & WorkAmp `04/2016 – 10/2020`

- Managed post-sales health across 25+ flagship enterprise accounts (WeWork, Puma, OYO, IDFC AMC), slashing onboarding cycles by 50% and cutting recurring operating expenses by 30%.
