Summary

Customer Success and Client Partner Leader with 8+ years of experience across SaaS platforms, enterprise services, and B2B solutions. Skilled in driving revenue growth, retention, and account expansion while managing multi-million dollar portfolios. Proven expertise in end-to-end client lifecycle management, from discovery and contracting to delivery governance and risk management. At NTT Data, promoted to lead a $1M ARR Salesforce–MuleSoft portfolio, achieving 30% ARR growth and 80% retention through strategic upsell and cross-sell. Previous roles at SmartKarrot, Deepstash, and other B2B firms demonstrate success in scaling customer success operations, building high-impact adoption strategies, and forging long-term client partnerships aligned with strategic business outcomes.

Work experience

12/2024 – Present
Mumbai

Client Leadership
Firework

- **Managed** enterprise portfolio (**Samsung**, **Titan**, **Bajaj Finserv**, **Unilever**), driving **adoption**, **expansion**, and **renewals** to strengthen **NRR**.
- **Delivered** onboarding to go-live within **SLA**, executing **success plans** and **ROI models** that accelerated **feature adoption**.
- **Drove upsells** and **renewals** through **usage-based QBRs**, maintaining precision in **forecasting** and **deal execution**.
- **Built** automated **reporting** to surface **usage signals** and translate insights into **executive recommendations** and **roadmap actions**.
- **Aligned Product**, **Solutions**, and **Ops** teams, creating **standardized playbooks** and **documentation** for scale.
- **Oversaw billing operations** and **month-end closures**, reducing **reconciliation errors** and improving **cash cycle efficiency**.
- **Balanced analytical rigor** with **creative execution**, consistently performing in a **high-velocity global startup** setting.

12/2022 – Present

Customer Success Manager → Client Partner
NTT Data

- Promoted within Salesforce–MuleSoft account to dual mandate: **delivery governance** and **commercial growth**.
- Directed full client lifecycle (discovery → contracting → delivery oversight → relationship management), driving **on-time execution and measurable ROI**.
- Managed **$1M ARR portfolio**, delivering **30% ARR growth** and **80% retention** through upsell and cross-sell.
- Chaired **Steering Committees, monthly reviews, and escalations** to ensure alignment with client objectives.
- Expanded account footprint by introducing **adjacent NTT Data services, consulting, and resourcing** at key decision points.
- Instituted a **closed client–delivery feedback loop** to mitigate risk, enhance quality, and surface expansion opportunities early.

09/2022 – 12/2022 **Customer Success Advisor**
SmartKarrot

- Designed and executed **customer success strategy**, driving **higher adoption of automation features**.
- Built **tailored success plans** for enterprise accounts, improving **retention and expansion rates**.
- Partnered with **product, sales, and support** to deliver solutions and scale operations across accounts.
- Streamlined processes for efficiency, positioning SmartKarrot as a **customer success leader** in the segment.

03/2022 – 08/2022 **Customer Success Manager**
